

Self-Tech Sheet

Driver: _____ Track: _____ Date: _____

Car Year: _____ Make/Model: _____ Run Group: _____ Car #: _____

The track worthiness of your car is your responsibility. Cars driven on track require a high level of maintenance. The checks listed here are a *guideline only* to help you arrive at the track with a safe and track-worthy vehicle. **Your car may have specific requirements not listed here.** Signing this form acknowledges that you have accepted responsibility for the fact that the vehicle listed here is safe and well maintained. If you do not have the skills and knowledge to perform these checks, please have this done by a professional mechanic.

Convertibles on track Track Day Xperience allows convertibles if they have factory or aftermarket rollover protection. Roll bars must be above the top of the occupant(s)'s head, and pass the "Broom Test". **TRACK DAY EXPERIENCE reserves the right to exclude any car or driver** from an event that is deemed unsafe to drive and does not pass the "Broom Test" requirements.
